

Hello Guys

Just a short note on how things are travelling here. We all arrived safe and well, no major hiccups, there is one story but will take to long to tell so best wait till we get back.

Arrived in Sterzing on the 30th Nov and bought with us around 30 cm snow, the first real fall so there is plenty of snow. Today 4th Dec we had a nice top up with another 30 cm of snow.

Accommodation is fantastic.

The team are shooting really well finishing top 6 in Junior Dyllan and Giles are shooting in Junior but will race in Youth on Sunday, today Dyllan finished 2nd with 13 penalties out of 8 shoots.

Gabi is shooting very well and finishing top 3 everyday. John Olivier from NZ is here as well with her Dad so we have teamed up and are working with them.

So things are looking very positive, we are no way out of our league and are expecting top 5 finishes off everybody in their races on Sunday.

Will write a more detailed report when we get back

Ciao Geoff
